

No.SMG-19/2010-RDD (SBM-G)- Review
Rural Development Department
Government of Himachal Pradesh

From:

Principal Secretary (RD)
to the Govt. of Himachal Pradesh

To

All the Deputy Commissioners cum CEOs (DRDAs),
in Himachal Pradesh

Dated: Shimla-9 th 24 May , 2016

Subject:

Construction of Community Toilets / Public Toilets in Gram Panchayats at
Playgrounds/ Playfields

Sir,

This is to inform you that in order to create an ODF Himachal , it is important to have toilet facilities in public areas across the state where congregation of a large number of people take place . Play Grounds/ Playfields in Gram Panchayats of Rural India are such public places where toilets and drinking water facilities need to be provided. As you are aware that SBM-G , Guidelines provide for construction of Community Toilets/Public Toilets in GPs. Alternate funding sources like CSR, 14th Finance Commission funds etc. to augment the funding for CommunityToilets/Public Toilets can be explored.

It is therefore requested to ensure construction of Community and Public Toilets in the Playgrounds of all Gram Panchayats in the District because sports have a significant influence on Human Resource Development for which we must provide a clean environment and proper infrastructure at the Playfields to our children.

Yours faithfully,

(Bhupender Kumar Attril)
Joint Secretary (RD)

to the Government of Himachal Pradesh.
