**Sub.: Launch of Revised District Swachhata Darpan (District Rankings) for SBM(G)**

**Sir/Madam**

As you know, the District Swachhata Darpan is an initiative to rank all districts in India based on key parameters of performance, sustainability and transparency. The performance of districts is evaluated based on key parameters with data available in SBM (G) MIS. It was very heartening to see the herculean effort put in by districts in the run-up to October 2nd to improve their Darpan rankings. My heartiest congratulations to all the Swachhata Darpan Champions that were awarded on Swachh Bharat Diwas this year.

For those who missed out on the opportunity, we are pleased to announce the beginning of the second round of Swachhata Darpan rankings. The second round has begun since October 23<sup>rd</sup>, 2017 and will culminate in end of January. The same was communicated to all District Collectors through an email from Secretary, MDWS. The winners will be awarded at an event organized during the last week of January or first week of February 2018.

It request you all to carefully note some changes the Ministry has introduced in the ranking methodology this time. There will now be a separate methodology for ranking ODF and non-ODF districts. The new weight age for the rankings for ODF and non-ODF districts is attached in Annexure-I. The link for new rankings of districts based on real-time data is <http://sbm.gov.in/SwachhDarpan/SwachhDarpan/Home.aspx>

States/districts may take advantage of the next month to enhance their progress on key parameters and update their performance on the MIS accordingly, upon which rankings would be formulated. States are, therefore, requested to convey and motivate their districts for enhanced performance and leverage this opportunity for being duly recognized for their efforts.

Encl.: As above

Yours sincerely

(V. Radha)

Joint Secretary (SBM & Estt.)
